

Board meeting summary

METRO SOUTH HOSPITAL AND HEALTH BOARD

Board meeting date: 27 May 2026

Location: Logan Hospital

The Metro South Health Board met on 27 May 2026 at Logan Hospital to consider key strategic, operational and governance matters and to engage with staff and services across the Logan and Beaudesert Health Service.

Key matters discussed included:

- The Board received updates from the Health Service Chief Executive, Chief Operating Officer and Chief Finance and Sustainability Officer on organisational performance, including patient access, financial sustainability, workforce priorities and key operational initiatives.
- The Board received the Quarterly Due Diligence Work Health and Safety Report, providing assurance regarding Metro South Health's work health and safety performance and governance obligations.
- The Board received reports from the Board Executive Committee, Board Audit and Risk Committee, Board Finance Committee, Board Safety and Quality Committee and the Princess Alexandra Hospital Research Foundation Board.
- The Board approved the Metro South Health Board Engagement Program, the revised Metro South Health Corporate Governance Policy, the Digital Infrastructure Asset Replacement Program and the Timely Investment Infrastructure Maintenance Plan 2026–27.
- The Board participated in a strategic in-depth discussion on Digital Health and Informatics, focusing on digital capability, innovation and the role of technology in supporting high-quality, sustainable healthcare.
- Members received a presentation on the Logan and Beaudesert Health Service, highlighting service achievements, strategic priorities and future opportunities.
- The Board toured the Intensive Care Unit, Mental Health and Internal Medicine services at Logan Hospital, providing an opportunity to engage directly with staff and gain insights into clinical services, operational challenges and opportunities for improvement.
- The Board noted correspondence received since the previous meeting and received updates from the Board Chair and Board Members.
- The Board agreed on the key messages to be included in this month's Board Communication.

This summary of key issues discussed, and decisions made has been approved for publication by the Chair of the Metro South Health Board. It is provided for information only and does not form part of, or replace, the official minutes of the meeting.
