

Statement of commitment Child Safe Organisation

How do we keep children and young people *safe*?

1. We care about your **safety** and **wellbeing**.
2. We tell you about your **rights**, we listen to you, and you have a say in decisions about **your care**.
3. We will let **families** and **communities** know about, and are involved in, the safety and wellbeing activities of children.
4. We will treat you with **equality**, respect, and fairness.
5. We make sure we have the right staff that know how to keep children **safe** and **well**.
6. We **listen** to you, your families and our staff and volunteers. You can share your problems and concerns.
7. We support staff and volunteers to keep learning all the time to keep you **safe**.
8. We provide a **safe physical** and **online space** for you.
9. We keep checking and improving the **safety** and **wellbeing** practices of children.
10. We write down rules on how to keep children **safe** and **well**, and make sure that everyone can see it.
